NATURLI'
ORGANIC
PLANT-BASED
BUTTERS
ARE BACK!

100% Plant-Based
EU Certified Organic
100% Palm Oil Free

Naturli' Organic Vegan Block 200g & 10Kg

Food just isn't the same without butter, so Naturli' came up with an alternative for every-one who eats plant-based food. 100% plant-based Naturli' Organic Vegan Block, which tastes just the way it should. Melt it over hot sweetcorn, use it to bake and fry, toss your pasta in it, spread it, add it to sauces and have it on your vegetables.

NATURLI'

BE THE CHANGE

Your favourite plant-based
butter in block & spreadable!

Naturli Plant-Based butters are back and
exclusive with Horizon Foods for Northern
NSW and Queensland.

Naturli' Organic Vegan Spreadable 225g

Life is busy for everyone, so
Naturli' have produced an alternative
spreadable butter for those who eat plant-
based food. 100% plant-based Naturli'
Organic Spreadable, which tastes the way
it should. Enjoy the convenience to use it
with your favourite dishes and never miss
out again. Spreadable will never be
the same again!

BE BETTER MY FRIEND.

The 1-on-1 plant-based alternative for butter.

The future is plant-based, but only if plant-based products are super-tasty and easy to use. That's why Be Better made a plant-based butter alternative which can be used in exactly the same amounts as cow butter, making pastry taste more pure and fresh than ever before. Let's start a plant-based pastry revolution!

Try it for yourself!

Replace cow-butter 1:1 with Be Better plant-based butter and see for yourself how easy it can be to make high quality pastry that is better: for the planet, for your pocket and for your palate!

Better for the Planet

86 - 97% less use of scarce water

0% harm to animals & the rainforest

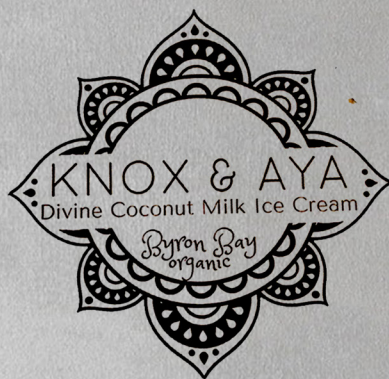

100% plant-based butter alternative

79% smaller carbon footprint

Plant-Based Goodies

Love Organics.

ACHARA 440G

A tropical mix of green papaya, pineapple and chilli. Infused with kelp, coriander and finished off a hint of lemongrass.

KIMCHI 440G

A great all rounder, versatile, fridge essential, infused with veggies and a balance of mild spice and chilli pepper.

Delicious certified organic probiotic boosted products from Burleigh Heads. Aged fermented & perfectly balanced in flavour, with just the right amount of crunch and no overpowering vinegar flavour.. Functional foods so full of flavour, with superfoods & boosted with probiotics.

**GOOD FOR YOUR MIND,
BODY AND SOUL!**

FENNEL KRAUT 440G

A moreish blend of garlic, fennel and kelp, this kraut should come with a warning sticker that it is highly addictive!

SEACHI 440G

A nutritional powerhouse that packs a gorgeous umami flavour punch, with a curated blend of sea vegetables, blue spirulina, garlic and a lovely horseradish bite!

RUBY KRAUT 440G

The perfect blend of red cabbage and apple, infused with a superfood beetroot powder, hibiscus flowers and juniper berries.

Sambal tomat

**TOMATO, CHILLI & GARLIC
FERMENTED SPICY RELISH**

Certified Organic Happiness in a Jar!

LOCAL & HEALTHY!

Probiotic Boosted
Aged Fermented
Certified Organic & Vegan
4.75 Billion CFU in every 20g serve
Australian Made
Non Pasteurised
Handcrafted

FULL OF ORGANIC FERMENTED GOODNESS!

Full of certified organic fermented ingredients
to keep your gut and tastebuds happy!

Experience the taste sensation of this
fermented Sambal Tomat relish. With a spicy
heat and a gorgeous garlic aroma, this relish
will be put on everything you love to eat!

Drizzle over everything or use it as an addition
to your cooking to add that little bit of
extra chilli or garlic flavour.

Love Organics Sambal Tomat is unique as a
relish or chilli sauce as it is a raw fermented
product. In addition to the wild occurring biota,
Love Organics Sambal Tomat is also boosted
with three probiotic strains that are Australian
made, certified organic and TGA approved,
helping to create a powerful functional
fermentation.

Love Organics Sambal Tomat is an Australian
made artisan product, handcrafted with love
and aged fermented for maximum
depth of flavour.

RAW | CLEAN | LIVING

At Green St Kitchen, the ancient technique of lacto fermentation is alive and well. It's a place where fresh ingredients transform into gut loving goodness and we open the mind to what is possible through the creative art of fermentation.

VEGAN - GLUTEN FREE
DAIRY FREE - LIVING

KIMCHI

Green St Kitchen's kimchi & kraut are loaded with vitamins, yet its biggest benefit is the "living healthy bacteria" called lactobacilli that is created during the fermentation process. This good bacteria helps to replenish your gut flora which aids with digestion.

WHITE MISO 430G

White Miso & Dry Red Pepper Kimchi

SZECHUAN 430G

CERTIFIED ORGANIC TEMPEH

Lovingly hand made using state of the art technology to produce the highest quality, boutique style fresh tempeh, from the highest quality Australian ingredients. The chickpeas, apple cider vinegar and Tasmanian wakame seaweed used are all certified organic, vegan and non-GMO. As a fermented 'living' food, it is nutritionally very rich, and one of the highest known vegetarian sources of vitamin B12. It is also one of the best sources of vegetarian protein. Because of its fermented nature, tempeh is very high in natural pro-biotics. This makes it very easy to digest. Tempeh is high in fibre, contains no cholesterol and is very low in saturated fat.

GLUTEN-FREE

NON-GMO

VEGAN FRIENDLY

CHICKPEA TEMPEH 300G
