The Best

MICROFIBRE TECHNOLOGY

The premium brand in microfiber cleaning products. Eco cloths are made from fibres that clean with only water, while also being machine washable hundreds of times. Many eco cloths now come made with recycled PET that really puts the “eco” into eco cloth.

Eco Cloths

BATHROOM CLOTH

The White Magic Bathroom Eco Cloth is Australia's No. 1 bathroom microfibre cloth. It starts with the premium blend of Korean microfibre that is stronger, more absorbent and more aggressive for dirt pick up than cheaper Chinese microfibre.

The Bathroom Eco Cloth is dual sided and is great for cleaning of all hard surface in the bathroom. A scrubbing side helps to break up soap residue while the flat wide is great for wiping down wet areas around the basin or floor. The clip tag allows easy storage anywhere in the bathroom.

- Chemical free cleaning solution – Just use wet.
- Leaves a streak free finish on all glass, mirrors, stainless steel etc...
- The super tight fibres leave no lint and will not scratch delicate tinting or other glass finishes.
- Can be machine washed up to 300 times.

KITCHEN CLOTH

The White Magic Kitchen Microfibre Eco Cloth is Australia's No.1 kitchen microfibre cloth. It starts with the premium blend of Korean microfibre that is stronger, more absorbent and more aggressive for dirt pick up than cheaper Chinese microfibre. We then combine this with a unique blend of charcoal yarn that inhibits the growth of bacteria so avoiding cloth odour and contamination of food preparation areas. Perfect for cleaning benchtops, kitchen table, cooktop, sink, etc.

- No need for any harmful chemicals, cleans with just water.
- Made with Charcoal Yarn that inhibits bacteria growth and reduces odour.
- Picks up 99.9% of Bacteria (Tested by Silliker Australia).
- Can be machine washed 500 times.
- Faster and more efficient cleaning.
- Grey colour suits the decor of all kitchens.
- Size: 32 x 32cm

GLASS & WINDOW

The White Magic Glass & Window Eco Cloth is Australia's No.1 glass & window microfibre cloth. It starts with the premium blend of Korean microfibre that is stronger, more absorbent and more aggressive for dirt pick up than cheaper Chinese microfibre. The Glass & Window Eco Cloth is our best selling cloth which leaves a streak free finish on any shiny surface without scratching and buffing the surface. From the mirrors, to the shower screens to the stainless steel fittings, this Eco Cloth is a perfect finishing cloth for that 5 Star hotel look.

- Chemical free cleaning solution
- Premium Eco cloth fibres.
- Can be machine washed up to 500 times.
- Can be used to clean all over the house where ever glass is found.
- Size: 32 x 32 cm

WASHING UP PADS

Double Sided for scrubbing and wiping. The Scrubbing side will not scratch delicate surfaces but cuts through burnt in mess. The Wiping side cleans up loosened dirt leaving no residue behind. The sponge in the centre creates suds. Washable hundreds of times, which means it can be sanitised so is more hygienic.

- Double Sided
- Great for burnt in mess
- Will not scratch
- Perfect for grease and grime with dishwashing liquid
- Machine washable
- Perfect tool for all your dishwashing needs:
- Glasses, Plates, Cutlery, Cookware

Eco Erasers

ORIGINAL ECO ERASER

The Original and best eraser sponge for removing stubborn marks from most smooth non-porous surfaces. The eraser sponge is a highly abrasive eraser that uses mechanical force to clean with only water. Not recommended for surfaces that are polished/glossy or on finishes that are brushed, stained or dark. Spot test on all surfaces before use to ensure no discolouration.

- Chemical free cleaner, cleans with just water
- New and highly unique cleaning sponge
- Perfect to clean and remove stubborn marks
- Erase ground-in dirt on outdoor furniture
- Can be used on any smooth and non-porous surfaces
- Erase scuff marks and dirt from wall, floor and doors
- Erase set-in dirt around the kitchen
- Erase ground-in dirt on outdoor furniture
- Size : 11 x 7 x 4cm

SHOWER ECO ERASER

Designed to be stored and used in the shower to clean all surfaces in the shower such as Glass, Tile, Stainless Steel or Ceramic. The suction holder allows easy storage in the shower. The micro abrasive fibres can lift stubborn soap residue, and hard water marks with only water. The tiny fibres can get down into the tiny pits of the surface to dislodge the grime off all hard surfaces such as glass, ceramic, stainless steel, and melamine. The patented suction hook holds firmly and is not affected by water or heat. This allows easy storage in and around the shower to allow cleaning at any time.

- Chemical free cleaner, cleans with just water
- Designed in unique iron shape
- Easy storage in the shower or anywhere in the bathroom
- Cleans soap scum and hard water mark
- Save time and save money
- Fast and more efficient cleaning
- Size : 15 x 8 x 4.8cm (1 x suction hook included)

Bathroom & Toilet

HEALTHY BATHROOM CLEANER

HealthyClean Bathroom uses the power of oxygen to penetrate and dissolve dirt, grease and soap scum, and safely kills 99.9% of bathroom germs. The active HealthyClean ingredient, hydrogen peroxide, fully biodegrades to just water and oxygen, so no harmful residue is left on your cleaned surfaces.

- Safely kills bathroom germs with no harmful residue
- Colour free, toxin & sensitiser free. Family safe and earth safe
- Biodegradable & palm oil free. No artificial fragrance
- No animal testing or animal products
- Available in 500ML, as well as Bulk 5L & 15L

Not suitable for use on unsealed timber, copper, brass, marble, fabric, carpet and materials or surfaces liable to fade.

SIMPLY NO MOULD CLEANER

Simply NO Mould is the healthy alternative to harsh chlorine-based mould sprays. The active ingredient, hydrogen peroxide, uses the power of oxygen to kill mould and fully biodegrades to just water and oxygen, leaving no harmful residue. Safely kills interior mould & mildew on hard surfaces such as showers, baths, tiles, grout, bench-tops, fridge & freezer seals, sinks, painted walls, woodwork and glass

- No artificial fragrance, free from toxins, sensitisers, palm oil free & colours
- Chlorine-free also means no irritating and unhealthy odours.
- Leaves no harmful residue. Mild bleaching of mould stains
- Family safe and earth safe. Safe for food prep surfaces
- Non corrosive to grout, stainless steel and most other metals
- No animal testing or animal products

Not suitable for use on unsealed timber, copper, brass, marble, fabric, carpet and materials or surfaces liable to fade.

EUCALYPTUS TOILET CLEANER

Australian Eucalyptus Toilet Cleaner is human safe and earth safe without compromising on performance. It is all natural with no synthetic perfumes, only natural Australian eucalyptus and lavender oils.

- Natural antibacterial properties kills germs
- Chlorine free & palm oil free
- Cleans, descales and deodorises
- Grey water safe, family safe & earth safe
- PETA Certified cruelty free & vegan

Restraint recommend with if you have a septic system. It can be used daily, but toooften will make your septic system unhappy.
