IT'S MORE DELICIOUS
WITH SAMMONTANA!

SAMMONTANA BARATTOLINO GELATO

The year was 1955 and homes throughout Italy were marvelling at the first industrial gelato in a family-size container, which took the form of a metal jar and went by the name of Sammontana Barattolino. Since that time, Barattolino has never looked back, becoming an iconic part of Italy's gelato story as it continues to move with the times, staying relevant but without ever compromising its authenticity.
